If you are organizing a rally, please complete this Google form, <http://bit.ly/2mSzBY8> and/or email IndivisibleIllinois@gmail.com with information about your rally by Tuesday, March 14.

If you have created a Facebook event, please share it to the Indivisible Illinois page, <http://bit.ly/2nFIH7B>.

Happy Anniversary, ObamaCare!

On March 23, 2017 we would like to have rallies at every single Republican district office in the state to show our support for ObamaCare. When we visit the legislators' offices we must let them know that ObamaCare must be strengthened, not weakened with TrumpCare, and these changes are hurting our most vulnerable citizens.

Some of our districts are blessed with progressive supportive legislators, so to be most effective, we would like to target those districts with more "challenged" individuals. If your legislator is supportive of ObamaCare, please consider helping in another district.

Some gift ideas to deliver to the legislators' offices are:

- Anniversary cake with a 7 on top
- Anniversary cards
- Anniversary balloons
- Pennies (copper is traditional gift for 7th anniversaries), this can serve as double symbolism because Lincoln is on the penny!

At the rally, you should:

- Share the cake with office staff
- Have someone share a personal story about how ObamaCare has helped them and/or what will happen to them if it is taken away
- Talk about how you have been trying to reach your rep, and he has been missing in action, but he can find time to fund raise with ticket prices from \$1,000 - \$50,000. (Many people are attending the Ryan fundraiser protest and that is GREAT! If you are not, please consider coming to a district office near you and bring some friends!)
- MAKE SURE YOU TAKE LOTS OF PICTURES!

Please try and reach out to other groups in your area, such as Planned Parenthood & LGBTQ organizations with vested interest in ObamaCare. Check with hospital and health care organizations to see if they want to send representatives to the rally.

Also, if you can, bring American flags or wear patriotic colors. This is our America and we must reclaim it!

THIS IS WHAT DEMOCRACY LOOKS LIKE!
